Why Foundation Summer Course?

This course gives you the opportunity to spend the summer in the Netherlands preparing for Saxion degree programmes. You will be able to develop knowledge of your subjects as well as English language skills and the study skills you will need to go on to a degree course. Studying the summer foundation course brings students the following benefits:

- It helps students experience and quickly adapt to the university study environment
- It allows students to get used to the Dutch Higher Educational System and to “test” student life in the Netherlands
- It enhances your chance of successful completing your courses
- It offers students a certificate for Foundation Course
- It guarantees students a Saxion Talent Scholarship (STS) of their following bachelor programme

Course Structure

- Academic English (academic reading, presenting an argument, essay writing, critical thinking)
- Business communication
- Organisation & Management
- Intercultural Management
- Academic Study and Research Skills
- Project management

Length of the Course

The Foundation Summer Programme is a 8 weeks intensive course. Students study six modules in total, spread over 20 hours lectures per week. It commences on 6 July 2009 and ends on 28 August 2009

Costs

Tuition Fee: € 2,700

Entry Requirements

- To gain entry to Saxion Summer Foundation Course students have to meet the requirements for Dutch higher education and be in possession of a diploma of secondary education or high school diploma
- IELTS 6.0 or equivalent
