

Financial means 2021

Throughout the visa application procedure, Saxion will send all paperwork to the Dutch Immigration Service (IND). For this process we also need proof that you have sufficient financial means to pay for the relevant costs and support yourself during your entire study period in the Netherlands. The payment of the tuition fee is not sufficient to prove your financial means.

How much do you need to prove?

To calculate the sufficient financial means, you should multiply the monthly amount (set by the IND) by the number of months you'll be living in the Netherlands this academic year. You may deduct the insurance fee and housing fee (only in case Saxion will arrange your housing, excl. deposit fee) from the total amount to prove.

Payment financial means

You can find the bank details on the invoice for payment of the amount to Saxion. You may transfer the amount in one payment with the other fees or in a separate payment if you prefer.

Please mention your student number and date of birth on the transfer.

Saxion will refund the amount of the financial means after your arrival in the Netherlands and having a Dutch bank account.

If you arrange your own housing:
