

Video task

The following video task is a compulsory part to be admitted to the Hotel Management course at the Hospitality Business School in Apeldoorn the Netherlands. Prepare a video presentation of approximately 4-6 minutes. Make sure you cover all following items during your presentation:

1. A short introduction of yourself.
2. Describe briefly your previous and/or current education.
3. A motivation of your choice for studying Hotel Management in the Hospitality Business School.
4. A motivation of your choice for studying in the Netherlands. Say something about your impression of the city of Apeldoorn. You can skip this question if you are currently living in the Netherlands.
5. A detailed account of your working experience in the hospitality industry (if applies)? If it does not, please let us know what you think about working in the hospitality industry.
6. An experience you had, something you did well, a difficulty you overcame, or a personal achievement. It might be a good mark at school, a project or a team (sport) activity. Explain what you did to achieve this success. Tell about your own personal qualities and the skills you used to achieve this success and mention them.
7. In case you have any experience with Saxion, for example through Open Days, recruitment fairs, career conventions or via a personal interview with one of our recruiters, please refer to and elaborate on this experience in your video presentation.

8. Before uploading the video on youtube, please visit: http://www.youtube.com/t/about_essentials. Here you can find some useful information

regarding how to upload this assignment. It is very important that you thoroughly read the private sharing section. See below a fragment of this section from the website:
Private sharing and unlisted videos

When you upload a video, you can choose whether you want to share the video publicly, privately or mark it as "unlisted". By sharing privately, you can invite up to 25 of your YouTube friends to watch, so you control exactly who views the video. By marking your video as unlisted, anyone with the link to the video can watch it, whether or not they have a YouTube account.

Furthermore, in case your country of residence has certain limitations regarding the access to youtube.com, you can choose to send the assignments via wetransfer (see <https://www.wetransfer.com/>).

9. Let the Admission Officer know if you have any questions or if you would like to talk about a certain aspect during the skype interview:
studiekeuze.hbs@saxion.nl.

Once you have completed your video presentation, upload the link (or the file) in Saxion's application portal (sis.saxion.nl) under 'youtube film'.

Once you have completed your registration and you have not had a personal interview before, you will be contacted for a (Skype) interview with one of our Admission Officers. Make sure both camera and microphone for the Skype interview are working properl
