(www.saxion.edu)

https://www.saxion.edu /programmes/master/in novative-textiledevelopment

Tentative deadline 1st February* 15th April

*for scholarship it is advisable to apply early 2. NUFFIC - International credential evaluation

Student registration;

studentregistration@s axion.nl

Bachelor degree or transcript of semesters will be evaluated via Nuffic*.

*Saxion IO office will send your documents to Nuffic for the evaluation

Expected time up to 6 weeks

3. Submission of Innovation case

Producing innovation case is a pre-requisite before we can invite you for the interview

Please download innovation case admission procedure for the guideline.

Tip: You can already work on innovation case when your degree certificate is under verification.

4. Interview

IO will transfer all your files to desk Master ITD.

We will contact your for the face to face interview or skype interview.

Two experts will conduct the interview You will get informed about the outcome

Expected time up to 3 weeks

5. Scholarships

You may apply for the Saxion or other scholarships*

(www.saxion.edu)

(https://www.nuffic.nl/en/s
ubjects/scholarships/)

https://www.saxion.edu/st udying-in-thenetherlands/finance-yourstudies/scholarships

*Searching and applying for scholarships from Saxion, the Netherlands, your home country, or international is entirely the responsibility of a candidate.

The deadlines of many scholarships are mid April to mid May.

6. Submission tuition/visa/insurance/housing fee

You transfer the funds for package fee for 1 year to Saxion bank account.

If you get saxion scholarship, the amount will be deducted from the package fee.

Saxion will apply for your visa.

You get notification when it is ready

You collect your visa from the embassy or consulate in your home country.

Up to 8-10 weeks

Tentative time from application to final visa is around 16-20 weeks. The actual deadlines given by Saxion IO might differ. These are suggestive deadlines.
