

Application procedure 2015–2016 Art & Technology – bachelor programme

Apply for the programme at Saxion.edu

In order to apply for the Bachelor in Art & Technology at Saxion University, you have to follow the link: 'apply now' on the website saxion.edu.

In addition to general admission requirements such as completed secondary education and sufficient proof of English language proficiency (IELTS/TOEFL), students applying for the Bachelor in Art & Technology should also complete an entrance exam. This exam exists of submitting the information described below and an interview by Skype.

For this entrance exam you will be asked to submit the following information as part of the online application:

- CV (if relevant)
- Testimonials (when available)
- A letter of motivation
- An interactive online portfolio (such as website or weblog) to prove your previous acquired technical skills and creativity.
- Contact details and your Skype account name

Application deadline: June 16, 2015

Skype meeting

After we receive your documents and if you meet the general entry requirements, we will assess your admissibility. For this we will schedule a meeting by Skype. The admission officer of Art & Technology will assess the exam.

During the exam the following aspects are reviewed:

- Creativity,
- Technical affinity,
- Communication skills

Good luck!
